Medalii, Puncte, Trofee & Rezultate

Medalii

Medaliile sunt castigate de cei clasati pe locurile 1, 2 si 3 pentru fiecare eveniment sportiv.

Sistemul de punctaj

Primii 8 clasati la fiecare intrecere castiga puncte in contul companiei din care fac parte. Locul 1 va primi 8 puncte, locul 2, 7 puncte si asa mai departe pana la locul 8 care va primi un punct. La sporturile pe echipe, acest punctaj se multiplica cu numarul de participanti din teren al fiecarei echipe. Clasamentul corporatiilor este calculat pe baza primilor 8 clasati in fiecare intrecere. De exemplu: echipa castigatoare la Fotbal in 6 va primi 48 de puncte.

Trofee pe sporturi

Sunt acordate companiei care acumuleaza cele mai multe puncte la fiecare sport.

Trofeele diviziilor

Trofeul Diviziei este castigat de catre compania care insumeaza cele mai multe puncte in respectiva divizie, in total, la toate sporturile.

Trofeul Medaliiilor

Trofeul Medaliiilor se acorda organizatiei care castiga cele mai multe medalii. O medalie este oferita pentru fiecare dintre locurile 1, 2 si 3 la fiecare sport individual. Pentru sporturile de echipa numaratoarea medaliiilor se face pentru fiecare jucator din teren.

Trofeul "Sport for Life"

Trofeul Sport For Life Grand Award se acorda organizatiei care recunoaste importanta sportului prin inregistrarea celui mai mare numar de participanti, reflectand astfel leadership-ul, responsabilitatea sociala si excelenta in team building.

Trofeele Corporate Games

Toate aceste trofee vor fi decernate in cadrul unei ceremonii speciale ce va avea loc la o data ulterioara desfasurarii Corporate Games. Toti sportivii si oficialii vor fi invitati.

Rezultate

Rezultatele preliminare vor fi afisate la locurile de desfasurare a competitiiilor sportive si vor fi actualizate pe parcursul intrecerilor.

Procedura de contestatie

Nu se fac contestatii impotriva deciziei unui arbitru in timpul competitiei. Contestatiile referitoare la jocuri se rezolva de catre o comisie formata din 2 membri din organizare si un reprezentant din conducerea jocurilor respective. Contestatiile trebuie trimise in scris catre Coordonatorul Sportiv, impreuna cu o taxa de 100 Lei, in primele 15 minute dupa terminarea competitiei la care se face referire. Decizia comisiei este definitiva si incontestabila. Taxa nu se returneaza daca cererea este analizata. Coordonatorul sportiv are dreptul sa impuna sanctiuni unui jucator sau echipe, daca este necesar.

Decernarea Medaliiilor

Medaliile vor fi decernate la sfarsitul fiecarei competitii si rugam medalistii sa faca toate eforturile posibile pentru a participa la ceremonie.

Medalia va fi inmanata numai personal castigatorului de drept. Daca acesta nu poate fi prezent la ceremonie, va face o cerere scrisa catre Corporate Games Bucuresti in care va putea desemna pe altcineva sa ridice medalia. Procesarea cererii costa 20 lei. Inlocuirea unei medalii pierdute este posibila contra sumei de 100 lei.

Sistemul de punctaj al jocurilor de Grupe

Victorie = 4 puncte
Infrangere = 1 punct

Egal = 2 puncte
Forfeit = 0 puncte

Ora de inceput a fazei grupelor

Fiecarui jucator/echipe ii este atribuita o grupa specifica care incepe sa joace intr-o anumita zi, la o anumita ora. Fiecare grupa joaca pe acelasi teren, masa, pista toata faza grupelor. Este esential sa fiti prezenti la teren conform cu informatia tiparita pe Registration Guide si sa ramaneti acolo pana la finalizarea tuturor meciurilor din grupe.

Forfeit sau Neprezentare

In caz de forfait sau de neprezentare, adversarul primeste 4 puncte plus un scor predeterminat, dupa cum urmeaza:

Baschet	20-0
Fotbal	2-0
Fotbal in 6	4-0
Volley	20-0
Badminton	21-0
Tenis de masa	11-0
Tenis	10-0

Daca un forfait are loc in faza turneului eliminator, sau afecteaza in alt mod punctajele companiilor, toate clasatele de top 8 de pe locuri inferioare vor avansa o pozitie iar a 8-a sau ultima pozitie va fi vacanta.

Castigatorii grupelor

Castigatorii grupelor si (unde se specifica) echipele sau jucatorii cu rezultatele urmatoare celui mai bun continua competitia in faza eliminatorie. In caz de egalitate a punctelor in urma competitiei din jocurile pe grupe, castigatorii sunt determinati de urmatoarele:

1. Rezultatele directe
2. Diferenta totala de scor
3. Golaveraj, puncte, timp, etc.

In faza eliminatorie se pot organiza meciuri de departajare pentru fiecare competitie pana la a 8-a pozitie. Pentru detalii, consultati informatiile specifice sportului respectiv.

Baraje

In situatia egalitatii intre punctajele companiilor, trofeele vor fi decernate luand in considerare urmatoarele criterii:

Trofeul Medaliiilor

Numarul de medalii pt. locul 1
Numarul de medalii pt. locul 2

Trofeul Diviziei

Punctele aferente locului 1
Punctele aferente locului 2

Trofeul Sportului

Sporturile individuale
Punctele aferente locului 1
Punctele aferente locului 2
(si in continuare, daca este nevoie, pana este stabilit castigatorul)

Sporturi de echipa:

De exemplu: toate punctele de la Fotbal in 6 ale companiei care a inregistrat cei mai multi participanti.

Sanatatea

Fumatul este interzis la toate competitiiile de interior. Fumatorii sunt rugati sa-i respecte pe nefumatori la toate competitiiile de exterior.

Meteo

In cazul in care meciurile sunt intrerupte de conditii meteo nefavorabile, Coordonatorul Sportiv poate reduce timpul de joc sau poate dicta lovituri libere.

Conditii nefavorabile

Orice fel de conditii nefavorabile independente de vointa organizatorilor pot duce la modificarea, intreruperea sau chiar anularea evenimentelor. Nu se ramburseaza nici o taxa de participare.

CORPORATEGAMES

SPORT FOR LIFE

Thousands of Participants, Hundreds of Organisations, Unlimited Opportunities.

The Worldwide Corporate Games Community has been growing at a terrific pace since the inaugural World Corporate Games in San Francisco in 1988. Many of the greatest Cities in the World have staged fantastic Games for hundreds of thousands of people. This year, there will have been new Games in Buenos Aires, Jalisco in Mexico, Cape Town, Delhi, Manila and Abu Dhabi to name but a few.

With this in mind, we are delighted to welcome you to the inaugural Bucharest Corporate Games and we are thrilled to see the great City of Bucharest become part of the rich history of the Games. The enthusiasm of the Romanian populace has been exemplary and it is fitting that the Games has found a new home in this region.

The founder of the Games, Dr. Maureen Johnston realised that there was a need to create a major event for non-elite competitors in the workforce. Dr Johnston created the Games as the ultimate mix of sport, business and tourism and we know that participants this weekend will enjoy everything that Bucharest has to offer from all of these perspectives.

Companies and Organisations of all different kinds will celebrate together, enjoying sport, playing competitively whilst enjoying outstanding networking opportunities.

It is great to see that so many companies of all sizes have recognised the immense potential and multiple benefits that the Games can provide.

We know from experience it will be one of the best investments that your organisation will make.

The Corporate Games is all about seizing opportunities and it is a credit to you that you have built your teams to do this.

Whatever you are playing this weekend represent your organisations with pride, commitment and ability. Good luck and best wishes for a tremendous weekend from everyone at the World Headquarters.

Ben Sedgemore,
Global Games Director.
